The relocation guide is a joint effort by Belleville Chamber & Main Street (BCMS) and Republic County Economic Development (RCED) to assist in your potential move. Each of our organizations plays an important role in supporting our employers and communities. BCMS is dedicated to revitalizing their historic downtown, being a brand ambassador for business members, and promoting chamber events. RCED works county-wide to assist businesses with financing, recruitment, or expansion and helps communities with infrastructure, housing, or grants. We hope this guide will assist you in exploring opportunities and the rural quality of life our county offers. Please do not hesitate to contact us with questions.
